Dear Yvonne,

**Re: Simultaneous Interpreting Services at Asia Partner Roundtable
Sydney-Australia, November 2014**

We are very pleased to write this reference for CIS with regards to the quality of professional conference interpreting services and equipment, covering English, Mandarin and Korean languages recently held in Sydney at the Shangri-La Hotel.

Our client was very happy with the high-level service provided by your dedicated team of conference interpreters (Dr Zhongwei Zong, Ms Zhe Huang, Ms Simone Seo and Ms Namhee Ko). Please pass on to them our personal thanks for their flexibility and quality of work and also for their willingness to assist during the breakout sessions.

As the Australian, Destination Management Company, Michael Armiger, Director of Conference and Incentive Services, was extremely impressed with your own responsiveness to our requests and your attention to detail in delivering the services required. Destination Pacific Australia would have no hesitate in referring Conference Interpreter Services to other clients and, needless to say, we look forward to working with CIS again soon and often.

Yours faithfully
