Dear Yvonne,

You and the whole team at Conference Interpreter Services are professional, responsive and incredibly easy and pleasant to work with. You adapted to changes in our program timelines at the last minute, and were able to meet every requirement we asked, for a very complex and continually evolving program. Conference Interpreter Services also supported us with the delivery of offsite components, such as day trips, conference registrations and were flexible with their delivery of all components. We would highly recommend your services and look forward to partnering with you for the delivery of our upcoming international conferences.

Yours sincerely
